### **How long will my house purchase take?**

This will depend on a number of factors. However, it can take, on average, 8-12 weeks from when we receive the contract pack from the Seller's solicitors until completion. It can also be both quicker and slower depending on the on the parties in the chain. For example, it may take longer than anticipated for the mortgage to be formally issued or for the seller's solicitors to respond to our enquiries.

### **Our fee assumes that:**

- a) This is a standard transaction and that no unforeseen matters arise including, for example (but not limited to), a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction
- b) The transaction is concluded in a timely manner and no unforeseen complications arise
- c) All parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation
- d) No indemnity policies are required. Additional disbursements may apply if indemnity policies are required.
