### **How long will the sale of my leasehold property take?**

This will depend on a number of factors. However, on average it can take 12-16 weeks from the issue of the contract pack to the buyer's solicitors. For example, it may take longer than anticipated for the buyer to obtain a mortgage or it may take longer than expected for the management company to issue the management pack to us

### **Assumptions:**

Our fees assume that:

- It is a standard transaction and no unforeseen matters arise including, for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction
- It is an assignment of an existing lease and is not the grant of a new lease
- The transaction is concluded in a timely manner and no unforeseen complications arise
- All parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation
